

High School Student School Supply List

- Please purchase the exact item and color requested below.
- Assume all students in 9th and 10th will have English, Math, Science, History and an Elective. If you are unsure of what your child will need, purchase the supplies for all high school classes and wait to receive their schedule at orientation for the remainder. If your child is a struggling reader please assume your child will have reading.
- Students will receive their exact schedule at orientation on August 15th. We will not be able to tell you before the 15th!
- **Please write your child's name on ALL of their school supplies. This will alleviate confusion and lost supplies. You may drop your labeled supplies off in the principal's office on orientation day.**
