

Town & Country School reviews its tuition and expenses every January/February. This is to ensure we are able to continue providing the very best staff, programs, and environment for our students to thrive. We have made the adjustments and here is the tuition schedule for the 2024-2025 school year. This is strictly the cost of tuition and doesn't include anything from Lindsey Nicole Henry, the Parental Choice Tax Credit, Town & Country Financial Aid. These amounts will lower the cost to the families.

- We will notify families when they can start applying for the 2024-2025 Lindsey Nicole Henry Scholarship for renewal.
- Once your 2023 taxes are complete, you may begin filling out your FACTS application to receive Town & Country Financial Aid. This can be located on our website www.tandcschool.org under the admissions tab. You'll click on financial aid. Then you'll scroll down the page and click on the FACTS link and fill it out. To receive Town & Country Financial Aid, you must have applied for the Parental Choice Tax Credit. You would provide us any correspondence from Merit letting us know you had applied, whether you received the award or not. The Opportunity Scholarship Fund financial aid is given out as part of the Town & Country financial aid. Please fill out the FACTS and you'll be considered for this as well.
- As the Parental Choice Tax Credit checks come in, you'll be notified. Most families are receiving 1 check this spring and another check in the fall. This will come off of your tuition as well.
